Grade 6 Summer Reading List

June 2008

Dear Parents:

We have provided some book titles and authors of grade appropriate reading for sixth graders. These books are available in the public library and at local bookstores.

Try to interest your child in different genres such as myths and legends, realistic fiction, historical fiction, as well as books related to science and other areas of interest.

Your child is expected to list author's names and titles of all books read in the provided 25 Book Requirement Notebook. Encourage him/her to write down the date when they read each book.

Sincerely,  
Mrs. Linda Walkow
