

NEWSNOTE

DECEMBER 11, 2024

FROM THE PRINCIPAL’S DESK...

Dear St. Mary’s Elementary School Families,

Season’s Greetings! It has been so energizing and uplifting seeing, visiting, and chatting with so many families these past couple of weeks. Because of the partnership between our amazing HSA team, teachers, and SME school parents and due to the generous giving of time, energy, and efforts of many; SME has been able to offer many holiday events - and we will continue to do our part to make this the best Christmas season yet for our students!

In addition to doing our best to transform our corner of snowy WNY into SME’s version of a Hawaiian Christmas, a host of parents enabled our school to allow our students the opportunity to do some holiday shopping in the school gym last Friday. Later today, some of our alumni and additional friends from St. Mary’s High School will be treating us to a Christmas concert while our very own PK4 students will be hosting their Christmas singalong! Tomorrow, our PK3 friends will follow suit and share their carols with their parents and guests. On Saturday the 14th, some of us will be decorating cookies and having Breakfast with Santa. To be sure, it has been a joyfully busy season of celebration, merriment, and camaraderie!

However, our most significant and poignant event will be held in the school gym this Friday, **December 13 @ 6:00 PM**, when our school community gathers to perform the **Living Nativity**. Under the direction of Ms. Sullivan and led musically by Mr. Kerns, our older student performers and our student singers from Kindergarten - Grade 8 will help remind all of us in attendance of the true meaning of Christmas. Just as Linus from the Peanuts gang reminds viewers of Luke’s gospel account of the miraculous good tidings of great joy that Jesus’ birth brought, our Living Nativity will help us remain focused on the most important reason we celebrate this Winter: the birth of Jesus.

I hope that you have a merry and memorable holiday season with your family and loved ones, and I look forward to seeing so many of our school families gather again Friday.

Spreading the Love of the Christmas Season and Mele Kalikimaka,  
Mr. Olejniczak

UNIFORM DRIVE

We have launched a **School Uniform Drive!**

We invite everyone to come in and browse through our uniform bins. Feel free to take as much or as little as you’d like! We have all different sizes/styles available to choose from!

Our goal is to *narrow down* our inventory to only a few bins!

The uniform bins will be available everyday **M-F** during all hours. The bins will be set up on tables outside the main office and remain available until our goal has been reached!

We welcome you to stop by at your convenience. Thank you for your continued support!

FINANCES

We are excited to share that our new email contact will be available to assist you with any inquiries.

Please direct all further questions/concerns regarding financial services to the email below:

Thank you!

JESSE TREE

**Advent is quickly approaching and begins the weekend of November 30 - December 1.**

Your children/teens are invited to sign-up to hang Jesse Tree Ornaments on the Jesse Tree in the church during Masses throughout Advent.

Click the link below to sign your children/teens up to participate in this beautiful St. Mary’s tradition. We need 7 children/teens to help with this at EACH of our 4 weekend Masses.

<https://www.signupgenius.com/go/10C0F4DA8A72EA4F9C52-53470474-advent>

**If you sign-up, please plan to arrive at Mass at least 10 min early. When you arrive, find an usher in the back of the church (near the main doors) to tell them you are there to carry up an ornament. If you arrive later than 10 min early, your child may lose their spot due to us finding a replacement. Thank you for your attention to this.**

**There is no better place to prepare your children for the celebration of Jesus’ birth than by praying & worshipping together at Mass. O, Come Emmanuel! We hope to see you at Mass!**

We are in need of many volunteers. Thank you for your consideration.

## NURSES MESSAGE

In addition to my monthly update please read the updated NYSDOH Covid guidelines.

Much like the Flu, Covid is so individualized. We may have the same symptoms, but the severity and the duration can be different for all of us.

That being said, we no longer need to isolate for 5 days. We must be 24 hours fever free without the aid of medication as well as have an improvement in symptoms.

Please call the Health Office if you have any questions or concerns.

TO: Local Health Departments, Healthcare Providers, Healthcare Facilities, Family Medicine, Internal Medicine, Pediatric, Adolescent Medicine, Infectious Disease, Primary Care Providers, Nursing Homes, Adult Care Facilities, School Nurses, and Infection Control/Epidemiology

FROM: New York State Department of Health (NYSDOH)

**HEALTH ADVISORY: Updated recommendations on when to stay home and when to go back to normal activities after respiratory illnesses including COVID-19, influenza, and respiratory syncytial virus (RSV) – Non-Healthcare Settings**

Following the [updated CDC recommendations](#), the NYSDOH is revising its guidance for when to stay home and when individuals can return to normal activities after respiratory infections including COVID-19, influenza, and RSV. This [infographic](#) from the CDC is helpful in simply illustrating this respiratory guidance. Please feel free to post in clinical spaces so staff and patients can easily understand this approach for viral respiratory diseases.

- Individuals should stay home and away from others, including people they live with who are not sick, if they have respiratory virus symptoms that are not better explained by another cause. These symptoms can include fever, chills, fatigue, cough, runny nose, and headache.
- Individuals can go back to normal activities when, for at least 24 hours, both of the following are true:
  - Symptoms are getting better overall, **and**
  - They no longer have a fever without the use of fever-reducing medication.
- When going back to normal activities, individuals should take added precautions over the next 5 days, including taking additional [steps for cleaner air](#), [hygiene](#), [masks](#), [physical distancing](#), and [testing](#) when they will be around other people, especially older adults, young children, and those with weakened immune systems. Children under age 2 should never wear a mask. Healthcare providers should discuss with their patients about how long a child under 2 should stay home.
- Keep in mind that people may still be able to spread the virus that made them sick, even if they are feeling better, so it is important to take extra precautions after resuming normal activities.

- If individuals develop a fever or start to feel worse, they should stay home and away from others again. They should use the same criteria for returning to normal activities as when they first had symptoms and take added precautions over the next 5 days.

These changes described above **DO NOT** pertain to individuals working in healthcare settings. Healthcare facilities should continue to follow the CDC's [Interim Guidance for Managing Healthcare Personnel with SARS-CoV-2 Infection or Exposure to SARS-CoV-2 | CDC](#) and [Strategies to Mitigate Healthcare Personnel Staffing Shortages](#). Transition from conventional to contingency to crisis staffing strategies should be based on ability to provide essential services, as determined by the facility. Also see: [https://coronavirus.health.ny.gov/system/files/documents/2023/02/doh-hcw\\_rtw\\_advisory\\_11\\_30\\_22.pdf](https://coronavirus.health.ny.gov/system/files/documents/2023/02/doh-hcw_rtw_advisory_11_30_22.pdf).

This document supersedes previous guidance on return to normal activities after testing positive for COVID-19 for non-healthcare settings.

Questions about this guidance may be addressed to the Bureau of Communicable Disease Control at [bcdc@health.ny.gov](mailto:bcdc@health.ny.gov) or call 518-473-4439.
