Friends After School Together

Welcome to the FAST Club program! Our FAST Club is an extended day care program for our students at St. Mary's Elementary School.

PHILOSOPHY

St. Mary's extended day care is a ministry of St. Mary's Elementary School and provides after-school care to the students enrolled at St. Mary's Elementary School. Our FAST Club seeks to see children achieve a balanced growth physically, emotionally, and intellectually by creating an environment of love and trust. Here a child can learn by group participation, self-expression, and one-on-one interaction with an aide in his/her own way. It is our desire to be an extension of the home to reinforce the values and character development begun at home. We encourage a good working relationship between the home and the school.

PURPOSE

FAST Club was established as a service to the families and children of St. Mary's Elementary. This service has grown out of a sincere love for children and a desire to help our SME families. Our purpose is to provide an environment that is safe and conducive to good health where students ages Preschool through Grade 8 can work and play together.
