## FROM THE PRINCIPAL'S DESK...

Happy Wednesday!

This past Thursday was our Meet the Teacher Night. I was happy to hear that many families attended the zoom sessions with the teachers. It was a great opportunity to meet your child's teachers and to meet parents of other students in the classroom.

This Friday will be our first Christian Witness Mass. You can view this mass, like all our school masses, via live stream. It is also a 15-minute early release drill day.

Thank you to everybody who helped to make the Chiavetta's Chicken BBQ such a success this past Sunday.

Remember that there will be no school on Friday, October 9<sup>th</sup>. Our teachers will be attending virtual professional development classes.

Thank you to everybody for following our reopening regulations and protocols. Together we can work to keep everybody safe. If you are not sure if you should send in your child go with "When in doubt, keep them out!"

Have a great week!

God's Peace and Love,  
Mrs. Kwitowski

## NURSE NOTES

Thank you all for your cooperation and understanding with our new health protocols that we need to follow this school year.

We understand the frustration and want our students and staff back to school as quickly and as safely as possible.

I will always suggest a phone call to your primary doctor's office first but would like to make you aware of a new COVID-19 testing option. The Erie County Department of Health is offering rapid COVID-19 testing for students and employees, results from the test take about 15 minutes.

The testing is at rotating locations in the northtowns, central Erie County, and southtowns. An appointment must be made to get tested; this can be done by calling 716-858-2929.

This testing is only for Erie County residents who are attending in-person classes and showing symptoms and school ID must be brought.

As always, please call with any questions or concerns. Thank you!

We have already set up several socially distant fundraisers including:

- ◇ Candy Bar Sale featuring Gertrude Hawk Chocolate

## SCRIP CORNER

Last week, each family should have received a Scrip information packet, and hopefully you have had a chance to review it. If you have any questions, please do not hesitate to reach out to us! The brown envelope is what you can use to send your orders in to school with your child, and what your gift cards will be sent home to you in. If you place an order online for physical cards, please send in your brown folder for us to send the cards home to you in.

Also, be sure to enroll in online payments (PrestoPay) to receive your eGift cards and reloads to your physical gift cards faster, and to download the Raise Right Fundraising app! The app is great for shopping on the go – fill your cart with what you need, do some quick math, then order the ecard before you get in line. At the check-out, just have the cashier scan the barcode.

Don't forget that there is a locked box in the church foyer and outside the main school office so that you can drop off orders whenever it is convenient for you!

*If you have any questions, please email us at [scrip@smeschool.com](mailto:scrip@smeschool.com). Thank you for your support of the Scrip program!*

## MEET THE MUSIC TEACHER

Hi, everyone!! I'm Steve Hunter and I'm extremely happy and proud to be the Music teacher here at SME. Many of the parents probably know me as the guy who holds up the morning drop off line to give treats to the dogs in the cars. This is my fourth year at SME and my 29th year teaching in Catholic schools in the Diocese of Buffalo. I got my Bachelor's and Master's degrees in Music Education from U.B. in 1992 and 2002 respectively. Over the years I've played saxophone in a number of local jazz, rock, and big bands in the area and also performed with the Amherst Chamber Ensembles, UB Saxophone Ensemble, and Erie County Wind Ensemble.

Enough about me, on to what we're going to do in school this year! Obviously we will be doing much less singing so, in the younger grades (PK - 2), we'll be doing a lot more moving and rhythm activities with recorded songs and classroom percussion instruments. Our middle grades (3-5) will do movement and rhythm activities as well, but they will also be learning more about the different styles of music, the composers, and reading music. Our middle school students are going to focus on bucket drumming and performing in Choirchime choirs. Also, our students in grades 4 - 8 have been invited to take instrument lessons at school and we should be beginning our lessons next week! One final piece about the Music Program at SME; I have been hosting a Ukulele Club after school once a week. This year, the club will be open to grades 5 - 8 and I will be having sign-up's for the Ukulele Club in a few weeks.

If you have any questions at all, I can always be reached by email at [hunters@smeschool.com](mailto:hunters@smeschool.com).

Things may be different this year, but they're still going to be fantastic!!

## SET

LAST CALL!

The SET Directory opt in/out of form is due TODAY!

Don't miss your opportunity to tailor your information distributed in this useful tool.

## FLYERS & FORMS

Although we are going green as much as possible; hard copies of any flyer or form are always available and can be sent home with your child.

Please email Mrs. Kuhn ([secretary@smeschool.com](mailto:secretary@smeschool.com)) at any time if you need a hard copy.

## PE UNIFORMS

Our latest order of PE uniforms has been received & distributed! We thank you for your patience.

PE orders can be submitted anytime throughout the school year. Contact Mrs. Kuhn ([secretary@smeschool.com](mailto:secretary@smeschool.com)) for an order form.

*A reading challenge...*

*By reading more complex books, your child can learn new words, facts, and ideas. They'll also be exposed to more complicated plots and will grow as a reader.*

*Share these suggestions:*

- \* *Knowing something about the topic or setting makes a tougher book easier to comprehend. If your youngster is reading a novel set in France, they could talk to someone who has been there or look up the country online. (try a children's site like [kids.nationalgeographic.com](http://kids.nationalgeographic.com)).*
- \* *Encourage your child to look at a simpler book on the same subject. A picture-book biography about Harriet Tubman may help your youngster better understand a textbook chapter on the civil rights movement, for instance.*
- \* *Suggest that your child read complicated material with pencil & paper in hand. They can jot down questions, words to look up, or facts they want to learn more about.*

*So dig into a good book through our Bookfair!*

## FALL BOOKFAIR

The theme of this fall's Scholastic Book Fair is the "Book Fair Time Machine" and don't we all wish that we could move past all of this uncertainty!

Our fall fair will be an ONLINE only fair, and you're invited to shop our Scholastic Book Fair through October 7. All purchases benefit our school and connect kids with new books, favorite characters, complete series, and more. Help SME reach its goal of \$2000 in sales!

Menu subject to change.

**Our Mission** All dishes are made fresh daily with only the best produce, quality proteins and low fat dairy. We limit processed foods and pre-packaged entrees. Many, if not most, menu items have minimal ingredients and are prepared from scratch. Students and Staff can choose from a variety of Daily Alternate Choices, as well as the Main Entrée. We hope your child finds many favorites, and looks forward to the lunch we serve.

**Did you know . . .** When we serve juice with our breakfast entrees, it counts towards our vegetable requirement. Carrots, kale, broccoli, sweet potatoes, as well as apples and pears can be found in the list of ingredients for our Dragon Punch and Wango Mango Juice. The kids love 'em, and you can too, knowing that they are getting a healthy dose of veggies and fruits all in one serving!

**Oh, and this, too!** Remember, we offer a variety of snack options for Birthday Treats! Tree Nut, Peanut Free, too! At \$0.50 each, you can celebrate your child's special day in the classroom or in the lunchroom without breaking the bank! Forms are on-line and can be found on the SME website under the Lunch Menu pull down. Scroll to the bottom of the monthly menu post, and you will see what forms are available. Cash or check (made out to SME) is accepted.

**Fun with Numbers** In the month of September, we made and sold over 800 lunches! Mrs Hadsall and Mrs Fulciniti were very busy, but we are a kitchen that goes all out to keep our students and staff happy! We will keep making the classics, but hope to introduce some new favorites every month. Keep watching those NewsNotes! As always, we appreciate your support, welcome your input and look forward to seeing you in the Lunch Line! Tracy Hadsall & Jenny Fulciniti

**ST. JOSEPH'S  
COLLEGIATE INSTITUTE**

In response to Bishop John Timon's plea for assistance in educating the Catholic youth of Buffalo, St. Joseph's Collegiate Institute was founded by the Brothers of the Christian Schools in 1868. Educating young men of diverse backgrounds in the tradition of St. John Baptist de La Salle, this all-male, private, college-preparatory high school has become synonymous with academic educational excellence. This marker was dedicated to commemorate the 150th anniversary of St. Joseph's Collegiate Institute.
