VOLUME 1, ISSUE 4 SEPTEMBER 29, 2021

## FROM THE PRINCIPAL'S DESK...

Happy Wednesday!

This past Thursday was our Meet the Teacher Night. I was happy to hear that many families attended the zoom sessions with the teachers. It was a great opportunity to meet your child's teachers and to meet parents of other students in the classroom.

This Friday will be our first Christian Witness Mass. You can view this mass, like all our school masses, via live stream.

**Friday 10/1 is also a 15-minute early release drill day.**

Remember that there will be no school on Friday, October 8th. Our teachers will be attending a professional development session and mass at the Basilica.

Thank you to everybody for following our reopening regulations and protocols. Together we can work to keep everybody safe. If you are not sure if you should send in your child, go with "When in doubt, keep them out!" Please reach out to our school nurse if you have questions.

Have a great week!

God's Peace and Love,  
Mrs. Kwitowski

## NURSE NOTES - WHEN IT'S OK TO RETURN TO SCHOOL

From the DOH : We received strong feedback from local pediatricians who say that parents are not clear on return-to-school guidance; some parents insist that their child be seen by a physician and get a doctor's note as the only way to return to school. A negative FDA-approved NAAT COVID-19 test result can be provided to the school either by a parent/guardian with or without a doctor's note. However, a doctor's note is NOT required if the child has a negative COVID-19 NAAT test, has been fever-free without medication for 24 hours and other symptoms are improving.

**Determining when children can return to school following COVID-19-like illness; one of the following criteria must be met:**

1. A negative FDA approved NAAT COVID-19 test result is provided to the school either by a parent/guardian *or* medical care provider. A NAAT test is a Nucleic Acid Amplification Test, such as a polymerase chain reaction or PCR. In this instance, a doctor's note is not required. In addition, the student must be fever free for at least 24 hours and other symptoms improving; OR
2. **There** have been at least 10 days since the onset of COVID-19 symptoms. In this instance, a doctor's note is not required; OR
3. A Health Care Provider provides a signed note reporting a diagnosis of a known chronic condition with unchanged symptoms, or a confirmed acute illness (laboratory-confirmed influenza, strep-throat) and COVID-19 is not suspected. Such individuals may return to school according to the usual guidelines for that diagnosis.

## PE UNIFORMS

Our online store has officially closed.

Once received we will distribute them to the students.

We have a very limited inventory available on hand in the school. If you find yourself in a position where you are in need of attire before our store opens again in the spring, please email Mrs. Kuhn so that the inventory can be checked.

## SCRIP

Last week, each family should have received a Scrip information packet. After reviewing it, please do not hesitate to reach out to us with any questions. The brown envelope is what you can use to send your orders in to school with your child, and what your gift cards will be sent home to you in.

Be sure to enroll in online payments (PrestoPay) to receive your eGift cards and reloads to your physical gift cards faster, and to download the Raise Right Fundraising app so that you can purchase Scrip on the go! Great Lakes is now also accepting credit cards as payment (**for online orders only**)!

There is a locked box in the church foyer and outside the main school office so that you can drop off orders whenever it is convenient for you!

Gift card updates:

- Amazon and Walmart \$10 physical gift cards are currently **not** available.
- If you purchase Kohl's gift cards online, please be sure to select the option with (SME) after the denomination to get the 5% rebate. Otherwise, the rebate is only 4%.
- If you purchase Tops gift cards online, please be sure to select the **Tops Markets** option, not just Tops, to get the 5.5% rebate. Otherwise, the rebate is only 4%.

## **Prepayment Guidelines for Student Lunches at St Mary's Elementary**

1. The upcoming lunch menu is always posted on the SME Website by the last Wednesday of the month. Once you look over the menu, you may decide to prepay for as many or as few lunches as you wish.
2. A check or cash may be sent with your child/children in an envelope clearly labeled with 'Name, Amount Enclosed, and Number of Lunches Paying For.'
3. The Kitchen will then record how many Prepaid Lunches are available for your student(s), and will be marked accordingly. We will track your account(s) as the lunches are used and the account is depleted.
4. Even if the account balance is at zero, no child will ever go without a lunch. A Notice of Account will be sent via e-mail to indicate that the account needs to be replenished.
5. We also allow for ala carte milk to be prepaid. We will record and track daily milk purchases, just as we do for lunches. Simply send in a clearly marked envelope with your 'Name, Amount Enclosed, and Number of Milk Purchases Paying For.'
6. Any questions regarding the SME Lunch Program, contact us at [kitchenmanager@smeschool.com](mailto:kitchenmanager@smeschool.com), or 683-2112 extension 119 during school business hours.

Our snack sales will not begin until mid-September. Prepayment options for this program also apply. Stay tuned to the SME Website for up-to-date information.
