## FROM THE PRINCIPAL'S DESK...

Dear Parents,

Allow me to again welcome you back to St. Mary's Elementary School!

Because of our phenomenal staff and the close partnership we have with our dedicated group of parents, our school continues to flourish, as we expand and evolve our curricula and extracurricular offerings. Thank you all for helping to make St. Mary's such a special place - and so much more than just a school.

Our school has grown with our enrollment, which has resulted in some minor changes to some procedures. Specifically, our pre-K dropoff is slightly different than it has been in the past. The newly renovated **lot on Aurora St.** has arrows alerting parents where to enter and exit. Parents and guardians of our PK3 students - thank you so much for your continued patience and cooperation, as we work together to ensure the safety of all of our students. Pre-K4 parents dropping off and pickup up along the side of the building on **St. Joseph St.:** please do not block the driveway. This lane must be clear, as it is used by our buses, which need to stay on a very regimented schedule. And finally, for our **afternoon private pick-up drivers:** we have been able to begin dismissal around 2:22-2:25, about the same time we did last year.

Finally, in order to meet enrollment demands and so that we may position each and every one of our students in an optimal position for success, we have made some renovations and alterations to our building. I am so excited to share these and so much more about our new Pillars of Saint Mary's program with you at our Meet the Teacher Night, which is tomorrow, September 19, from 5:30 - 7:30. As a reminder, this is an opportunity for you and your child(ren) to come into the school, introduce yourselves to the teachers, and take a look around. This is not a conference night; Parent-Teacher Conference night is November 8.

Have a terrific evening,  
Mr. Olejniczak

## FROM THE ART ROOM

Hello SME Families,

First let me introduce myself... I teach ART to all the students at St. Mary's Elementary, grades PreK3-8th. It's great to be back for my fifth year at SME. ART is taught in Room 220 for Kindergarten through 8th grade. PreK students are taught ART in their PreK classroom, with all materials being brought in on the "ART Cart".

New students and returning students (K-8th grade) are familiarizing themselves with the ART room routines and expectations. Students have been prepared for ART making. Thank you for sending in an Old T-shirt/ART smock for your child (prek-5th grade) to wear in ART class. ART smocks are optional (but highly encouraged) for Middle Schoolers. Smocks can be stored in MS lockers and worn as needed. All Middle school students will be receiving a school-issued Sketchbook for homework and in-class assignments very soon. All Middle School students have been invited and joined their grade level ART Google Classroom. Middle School students (along with their parents) are in the process of reviewing and submitting the *Middle School - Grading and Expectations in the Art Room*, Form in Google Classroom.

Any questions or concerns please contact me at [pesanyau@smeschool.com](mailto:pesanyau@smeschool.com)

I am looking forward to a creative year with your child!

Mrs. Kim Pesany-Au, M.S. Art Ed.  
ART Teacher, NY State certified, K-12
